

FuelMaX® - Mobile Fuel Station

FuelMaX® - Mobile Fuel Station

GATTI S.p.A. designs and builds the entire FuelMaX® to fit into a 20' or 40' ISO container that can be easily transported on a flat-bed truck to be ready to use wherever it is needed.

Advantages

- Fully containerized (20' or 40' ISO container)
- Fully autonomous
- Custom-made to suit customer requirements
- Ready to Use

Typical Features

- Fuel Capacity: 15,000 ltr (20' container) – 41,000 ltr (40' container)
